

## VPS2 Series LED Vapor Tight

### PRODUCT DESCRIPTION

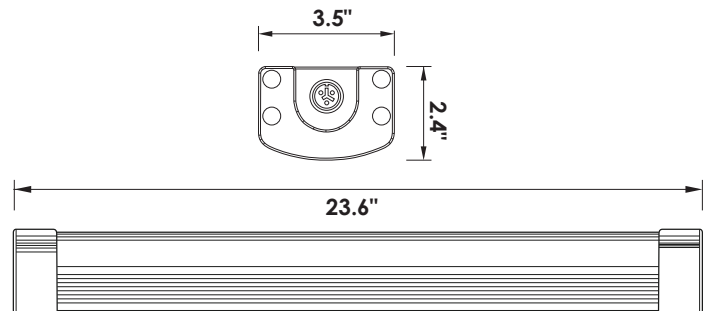

The Luminoso VPS Series is a versatile, linear fixture that can be used in a number of applications. It's IP65 and IK09 rated exterior makes it ideal for interior or exterior uses such as parking areas, corridors, warehouses/factories, airports, and supermarkets. It's tough exterior is only rivaled by its cutting edge technology. Utilizing only the highest grade LED arrays the VPS series boasts lumen outputs of 130 lumens per watt. It is available in either 4000K or 5000K color temperatures with lengths ranging from 2' to 4' and wattages ranging from 30 watts to 60 watts.

### PERFORMANCE SUMMARY

|                                       |
|---------------------------------------|
| Efficacy: 130 Lm/W                    |
| Delivered Light Output: 3,872 - 3,900 |
| Lumens Input Power: 30 Watts          |
| CRI: 80                               |
| CCT: 4000K & 5000K                    |
| Input Voltage: 100-277vAC             |
| Input Current: .018 A (@277v)         |
| Beam Angle: 120°                      |
| THD: 18%                              |
| Power Efficiency: >0.88               |
| Construction Material: Polycarbonate  |
| Warranty: 5 years                     |
| Power Factor: 0.9                     |
| IP Rating: IP65                       |
| Lifespan: L70 50,000 hours            |
| Dimmable: No                          |
